

Jacobstow Community Academy: 2024-2025 Pupil Outcomes

Below are the school's published outcomes for the end of the academic year 2024-2025. The 'National' data is also added so that you are quickly able to see how the school is doing compared to 'all children' across the country. For Key Stage 2, we have also added the Pupil Premium which are the outcomes for those children who are entitled to Free School Meals; it is important that this data is looked at so that we are ensuring all our pupils are achieving the highest possible outcomes.

	Jacobstow	National
EYFS GLD	83%	68%
Year 1 Phonics	100%	81%

This achievement highlights the academy's strong early years provision, high-quality teaching, and dedication to supporting every child's development. The data shows that children at Jacobstow are exceptionally well-prepared for the next stage of their education, thriving in an environment that promotes both academic progress and personal growth.

The school places significant emphasis on teaching our youngest pupils to read, and we greatly value the vital role parents and carers play by reading regularly with their children at home. These outcomes reflect the impact of effective phonics teaching, timely early intervention, and a deeply embedded culture of reading across the academy.

Every child reached the expected standard, demonstrating that all pupils have acquired the essential foundational skills needed to become confident, fluent readers.

Key Stage 2 Outcomes

All of the Key Stage 2 outcomes for every primary school in the country are published on the Government's "Compare School Performance" website: [Search for schools, colleges and multi-academy trusts - Compare school and college performance data in England - GOV.UK](https://www.gov.uk/government/collections/search-for-schools-colleges-and-multi-academy-trusts-compare-school-and-college-performance-data-in-england)

	Key Stage 2 outcomes			
All pupils	Jacobstow Expected	National Expected	Jacobstow Greater Depth	National Greater Depth
Reading	78%	75%	22%	33%
Writing	83%	72%	11%	13%
Maths	72%	74%	28%	26%
Spag	56%	73%	22%	
RWM combined	67%	62%	11%	8%
