

# Maple Class Curriculum Overview Autumn 2025

<p>As Communicators we will be writing to entertain. We will be writing a unit based on a text and short film 'Feast' before moving on to write a narrative based on the text 'Aladdin and the enchanted lamp.</p> <p>We will also write letters inspired by the text 'The Day the Crayons Quit' and a brochure linked to Skara Brae.</p>	<p>As Mathematicians we will be building on and learning new knowledge linked to place value. We will also be working through our times tables checks with year 3 learning this process and starting with the 10 times table and year 4 the 4 times table. We will then move on to look at addition and subtraction, multiplication and division.</p>	<p>As Readers we will be focusing on a range of texts both in our DERIC lessons and as out class text.</p> <p>We will be looking at the text The Boy Who Grew Dragons.</p>
<p>As Geographers we will be looking at the local area of Jacobstow answering the key enquiry question: How has the landscape and land used in our area changed?</p>	<p>As Global Citizens we will explore the Key question 'What do Christians learn from the Creation story? We will then explore the enquiry question :How do festivals and worship show what matters to Muslims?</p>	<p>As Historians we will explore the Industrial revolution answering the key enquiry question: How did the Industrial Revolution change the lives of Victorian people and shape the world we live in today?</p>
<p>As Artists we will explore and appraise the work of the artist Arshile Gorky before working through the unit, exploring abstract art and creating our own final piece.</p> <p>In DT we will be looking at Mechanical systems and gears. We will design and create a moving cable car toy for younger children.</p>	<p>As Musicians we will be looking at the unit of Bringing us together before exploring the unit 'I wanna play in a band / Mamma Mia.</p>	<p>As Users and Programmers of technology, we will be looking at Computing systems and networks - Connecting computers. We will also explore Creating media – stop frame animation.</p>
<p>As Scientists we will be building on our knowledge of animals including humans. We will explore the human skeleton, teeth, the digestive system and food chains.</p>	<p>As Well rounded citizens we will be working through the units: How can we be a good friend? How do we treat each other with respect?</p>	<p>As Well Rounded Active Citizens we will be developing our skills through gymnastics and ball skills. Lessons will be taught by both the class teacher and external sports coaches.</p>
