

Our Learning Journey – Summer 1

Half-Term Overview for Parents

This half term, our learning will be inspired by stories, nature, and growth. We will explore how plants, animals, and people change over time, while developing important maths, communication, and life skills through play-based learning.

Stories We'll Be Enjoying

- Jasper's Beanstalk
- The Ugly Duckling
- Oliver's Fruit Salad
- The Enormous Turnip
- The Very Hungry Caterpillar

Maths Learning

- Measuring mass and capacity
- Exploring length, height and time
- Counting, comparing and working with numbers up to 10

Maths will be taught through practical, hands-on activities, games, and real-life problem solving.

Understanding the World

- What seeds need to grow
- How plants and animals change as they grow
- How we can look after plants and animals

We are also looking forward to a special zoo visit to help bring this learning to life.

Religious Education (RE)

- Places where we feel safe and happy
- What makes a place special
- Special places for different people and beliefs

Skills We Are Developing

- Confidence in speaking and listening
- Independence and social skills
- Curiosity, creativity and resilience
